Indiana Professor Explains Motive in Impunging Paternity of Child

HE PLEADS FOR MORALITY

South Bend, Ind., Sept. 28.—While Judge Chester L. Duncemb is framing his decision, to be announced Saturday, as to the paternity of "Filly." the tenmonth-old son of Mrs. John P. Tiernan, public futerest has centered in the psychology of this strange case.

What motive impelled Professor Tier-nan, of Notre Dame University, to parade his wife before the public as the mother of an illegitimate child, while mother of an illegitimate child, while still loving her and claiming her as his own? Why has he attempted to fasten the paternity of "Billy" on a local clothing salesman, Hary Poulin, while he still shelters the child and says he always will care for it as one of his own? Why has he demanded a small sum of money from Poulin to pay the expenses of the maternity of the disputed hoy?

puted boy?

Prof. Tiernan answered these natural questions yesterday:

"That justice may be done," he said.

"The time has come when man must stand on the same moral plane with

OILING RIVER DISPELS FOG

Operations in Winter Pittsburgh, Sept. 28.—(By A. P.)—A large section of Pittsburgh fog was put out of business yesterday by local

scientists, assisted by officials of the Weather Bureny and experts from the nited States Engineering Department. The initial experiment, conducted on

The initial experiment, conducted on the Monongahela River, was pronounced a "distinct success." The
fog-removers expressed themselves as
confident that considerable "Pittsburgh
gloom" can be avoided this fall and
winter with moderate funds.
Notified by the Weather Bureau that
a cold wave would sweep through the
valley, scientists took the Government
boat Evelyn, a derrick and a barge
fitted with sprinkling apparatus and
proceeded to Rice's Landing, one and
one-half miles upstream. As the cold

Major J. Franklin Bell, of the Federal Engineering Department; Dr. E. Ward Tillotson, of the Mellon Institute, and Dr. H. B. Meller, city smoke expert, were included in the party.

POSTOFFICE HEADS MEET

National Association Begins Annual Convention in Washington

Washington, Sept. 28.—(By A. P.)

The system of having new post-masters from time to time justifies it-self only when such men can bring into their organizations a new purpose and outhusiasm which will refresh and re-store the blackened energies of these who are more permanent. First Asshuant Postmaster General Bartlet to-day told the National Association of Postmasters now in convention here. "A postmaster in an organization of "A postmaster in an organization of thousands of fellow workers, even if he does not know the technique of the lorsiness." Dr. Barriett said, "may so impress his live personality, may orradiate his sincerity, may so communicate his good fellowship as to charge all around him with a tresh current of energy and purpose to such a degree as nor only to enhance the efficiency of his office, but also make more cheerful all those who associate with him.

Permanent Good Service Built into Hupmobile

The Hupmobile is not built for demonstration purposes alone.

Owners tell us it gives better service six months, or a year, after it is bought, than it does the first day, or the first month.

Its brilliant, reliable performance continues indefinitely, without need of frequent tuning up. Sturdy qualities are built into it, which keep it out of the repair shop and ever on the go.

Any garage mechanic will tell you that the Hupmobile has in it the qualities which make for long life, genuine economy, and deep, solid satisfaction.
